Email to Settlement Class Members

EXHIBIT A

PLEASE TAKE A MOMENT TO READ THIS EMAIL

Dear Customer,

You should have received an email in mid-October about a proposed class action settlement, stating that because you were a customer of Zappos in January 2012, you are entitled to receive a 10% discount on your next Zappos purchase. This discount was part of a settlement reached in the lawsuit filed because of the data breach that occurred in January 2012.

We wanted to reach out again to remind you that you may use your one-time discount code between now and the end of the year (December 31, 2019 at 11:59 pm pacific time to be exact). Here are some highlights for using your discount code:

- You may combine it with other promotions, discounts or points that you have on your Zappos account.
- You can use it on ANY merchandise available on the Zappos app or website, including items that are on sale.
- Your discount code is good on your entire order, no matter how many items you have in your shopping cart.
- There is no limit to how much you can save on your purchase.
- Or, if you prefer, you can simply transfer the code to someone else to use.

Once again, here is your one-time-use code: -----.

Once you've selected the items you want to purchase, select "Proceed to Checkout" and you'll have a chance to enter your code.

- For Desktop Users: Under "2. Payment Method," you'll see a dropdown for "Add gift card or promo code (including a VIP code)." Simply enter the code there, click "Apply," and continue checking out.
- For App Users: Select "Gift Codes" in the top right corner, enter your code, select save, and continue checking out.

For additional information regarding the settlement, please visit www.Zapposdatasettlement.com, which is the only official settlement website. Thank you for your patience and understanding and, as always, we're here to help. If you need help with placing an order, please don't hesitate to reach out by contacting us at 2012action@zappos.com or (877) 927-2332.
